Define Problem Statements Template

Define Problem Statements (Customer Problem Statement Template):

Field	Value				
I am	Loan Applicant (Customer)				
I'm trying to	Get my home or personal loan application approved quickly.				
But	The approval process is manual, tedious, and relies on complex risk calculations of multiple parameters.				
Because	Financial institutions must manually verify credit history, applicant income, coapplicant income, dependents, property area, and loan term to minimize default rates.				
Which makes me feel	Anxious, frustrated with delays, and uncertain about my eligibility status.				
Problem Statement (PS)	I am	I'm trying to	But	Because	Which makes me feel
PS-1	An individual applying for a loan.	Get my loan application approved quickly.	The approval depends on manual verification of numerous criteria.	Banks must verify credit history, income, dependents, property area, etc.	Uncertain and anxious about the final approval result.
